

Tuition and Affordability

New Morning School is a privately funded school, meaning we are funded by student tuition, fundraising efforts, government and private grants, and private donors. As a Non-Profit organization, a **Board of Directors** shares in the governance of maintaining fiscal responsibility, sustainability, and strategic planning for our school.

We are committed to making New Morning School accessible and affordable for as many families as possible, which is one of the many reasons we use a co-op model for our student tuition.

The co-op model allows us to offer variable tuition reduction through optional co-op participation and job duties. Of course, we recognize that many families have hectic schedules and limited free time, so we make sure to offer a variety of opportunities for participation and co-op responsibilities. Examples of co-op jobs include serving as a classroom aid, weekend cleaning, serving on a committee, and special event support.

In addition, our flexible preschool program is offered as a full day, half day, or part-time program!

Co-op Assignment Discounts

Beyond the base participation in our parent cooperative program, families may opt to engage in our school community by applying for a Co-op Assignment. There are a number of co-op roles that support our school program. Each role is designed to help the school continue it's mission. Our co-op participation allows us to deliver an instructional program with a high level of support in each classroom. Roles are also designed to support the school in ways which offset costs and allows the school to keep most of it's operating budget pointed towards instruction.

Guidelines:

Co-op discounts are assigned as a value based on the Co-op Assignment type. (See table below)

- Co-op Assignments are limited to the needs of the program.
- Co-op discounts are applied to the first/oldest child enrolled.
- Families with 1 child may accept 2 co-op roles.
- Families with 2 or more children may accept 3 co-op roles.
- Only 1 Sr. Leadership position can be accepted per adult.
- Families needing to reduce tuition obligations, having maximized their Co-op Assignments may apply for Financial Aid/Scholarship for children in grades K-8th.
- Assignments are prioritized for full-time enrolled students.

Discretionary terms:

- Should co-op assignments go unfulfilled, at the discretion of the Head of School, additional roles may be assigned per family.
- The Head of School has the right to increase or decrease Co-op Assignments based on the needs of the school program from year to year.

Eligibility:

- All families are encouraged and eligible to apply for Co-op Assignments.
- Co-op Assignments may require a demonstration of skills, or willingness to attend training for that the role.
 - For example, if participating as a classroom aide, prior experience in working with school age children may be required, or a willingness to attend training.
- Parents must be in their second year or later of participating in the Cooperative Parent Program to participate in a Jr. or Sr. Leader position.

Co-op Assignment Discount Table*

Other Discounts:

As the Co-op Assignments are applied to the first or oldest child enrolled, Sibling Discounts are applied to those children who are enrolled full time. (*part-time preschool not eligible*)

- 2nd child - \$2500
- 3rd or more children - \$3500

Scholarship/Financial Aid

New Morning School offers financial assistance to those families eligible based on a completed application. Families applying for financial assistance must first maximize co-op discount opportunities. Financial Aid is only available to the extent that New Morning School has available funds.

**Financial aid is available for K-8 grade students only.*
